Sir,

Sub: Community Project - South Kanara district - Project area - Starting of young Farmers' clubs in the Project areas - Sale of graded Scindhi heifer calves from Government Livestock Farms - Regarding.

Ref: (i) G.O.Ms.No.170, Public (RDP.XI) Department dated 19-1-1955.
(ii) Letter C.No.3189/54-B(C.P.) dated 21-4-56 from the Collector of South Kanara, Mangalore.

--.--

In enclosing a copy of letter C.No.3189/54-B(C.P.) dated 21-4-1956 from the Collector of South Kanara, Mangalore, I have to state that Government in their order first cited have accorded sanction to the purchase of 12 graded scindhi heifer calves of one year old for 6 clubs at 2 per each. The Collector who was not able to get these scindhi heifers elsewhere has requested me to order the transfer of six graded scindhi heifer calves of one year old from the District Livestock Farm, Koila, South Kanara district to the six clubs on payment of cost.

2. In this connection I wish to state that there are no graded scindhi heifer calves available for sale from any of the Government livestock farms. Further I am of opinion that the young Farmers' Clubs need not necessarily be supplied with either graded or pure bred stock. The young Farmers' Clubs may be supplied with pure-bred bulls, if necessary, for grading up the local stock or they may take to stock rearing with local animals. If it is agreed to the sale of heifers of pure stock from the Government livestock farms to such institutions as Young Farmers' Club, I am afraid that the livestock farms of the Department will be gradually depleted of animals when more scindhi female stock are required for the livestock farms for scientific breeding and production of good distribution of good pedigree stud bulls in the field to copew with the growing demand for more number of bulls under various schemes. Incidentally I may also state that the Government livestock farms have not yet reached a stage either for the sale or distribution of scindhi female stock at present.

3. I request the favour of early orders on my proposal.

4. I also request to be furnished with a copy of Government Order relating to the formation of young Farmers' Club for my information and record.

Sub: Community Project - South Kanara - Young Farmers' Clubs - Starting of in the Community Project area Supply of Sindhi Heifer calves - regarding.

Ref: G.O.Ms.No.170, Public (RDP XI) Department dated 19-1-1955.

--.--

The Government have sanctioned the starting of 6 Young Farmers' Clubs in South Kanara Project with Community Project contribution of Rs.733/- for each club. The nature of expenditure to be incurred is found in the annexure to the above G.O. A copy of the G.O. is enclosed for ready reference. According to the Annexure to the G.O., 2 graded Sindhi Heifer Calves of 1 year old for 2 boys at Rs.100/- each have to be purchased for the club, Several attempts were made to secure graded sindhi heifers for the clubs. Recently the District Veterinary Officer, Coimbatore reported that the Sindhi Heifer Calves were available for sale under the auspices of Annamalai Hill Cattle Society. As the Society insisted on cash payment, arrangements were made to collect cash from the clubs. But when the amount was collected and sent to the society, the calves were not available, as they had been sold out. Moreover, the cost of each calf comes to more than Rs.300/-. Hence, the idea of purchasing calves from the society was dropped. These clubs have equipped themselves with all other materials such as Poultry rearing, goat rearing, vegetable gardening, etc., but they are not complete without heifers. As heifers are not available locally, I request that the Director may be pleased to order the transfer of six graded Sindhi heifer calves of one year old from the Cattle Farm at Koila to the six clubs on payment of cost. As soon as orders are received, necessary arrangements will be made for the transfer and payment. The Superintendent, LivestockFarm, Koila may however be requested to see that the cost of one heifer calf does not exceed Rs.250/-.

Subj: C.P.S – S. Kanara project Area – Starting of young farmers' clubs in the project Areas – Sale of graded Scindhi heifer calves from Govt. – Suggestions of D.A.H.

Ref: From the Director of Animal Husbandry, Madras, No. 8915-D1/56-2 Dt. 30/8/56.

The D.A.H., Madras, in enclosing a copy of the letter No. 3189/54-B(C.P.) Dt. 21.6.56. has stated that the Govt. has sanctioned the purchase of 12 graded scindhi heifer calves of one year old for 6 young farmers' clubs at the rate of 2 each. He also states that the collector of S. Kanara has requested him to order the transfer of 6 calfs from the Dt. Live stock Farm, Koila, S Kanara Dt. to the six clubs on payment of cost as he is not able to get them from private farms

2. W.r.t. the specific request of the collector the D.A.H. says that there are no graded heifer calves available for sale in any of the Govt. farms of that allowing

P.T.O/

V/

If such sale of heifer calves to Young Farmers' clubs from Govt. Farms will gradually deplete the stock of animals that exist in the Govt. Farms. It will not be also in consonance with the declared policy of Govt. to promote better breed of cattle if the resources of Govt. Farms are frittered away in such fashion. Incidentally he says that the Govt. farms have not attained that stage when they can launch on the sale or distribution of selected female stock at present. He also suggests that the young Farmers' clubs need not necessarily be supplied with either graded or pure bred stock but that they may be supplied with pure bred bulls for grading up the local stock or that they may take to stock rearing with local animals. The intention of Govt. in permitting the formation of young farmers' clubs seems to be that the young Farmers' should be usefully employed in their leisure hours & later on these useful trades will augment their income. Therefore it seems not necessary that these clubs should be supplied with high grade calves. Therefore, the proposal of the D. A. H. may be accepted. For orders.

3. He also requests that a copy the of order relating to
